---

Projects

Everest-Momo-Website

🔗 Live Demo | **React, MUI, Auth0, eSewa (dummy), Vercel**

- Built an online momo ordering platform with secure Google Auth (Auth0)
- Integrated cart functionality (add, update, delete) with eSewa payment (dummy)
- Designed responsive UI using Material UI (MUI)
- Deployed on Vercel for fast and reliable hosting

E-Learning Platform

MERN Stack (MongoDB, Express.js, React, Node.js)

- Developed a full-stack platform for course creation, management, and learning
- Admin: create/edit/delete courses, track orders

- Students: register, access content, take quizzes, and engage in discussions

Weather App

🔗 Live Demo | **React, Tailwind CSS, OpenWeatherMap API, Vercel**

- Created a responsive app displaying real-time weather data.
- Shows temperature, humidity, wind speed, and conditions.
- Implemented basic error handling and mobile-friendly UI.

Activities/Awards

Customer Service Intern – NMB Bank, Gatthaghar Branch
July 16 – September 17, 2023

- Assisted with day-to-day customer service operations, handling inquiries and basic transactions
- Gained practical exposure to core banking processes and customer relationship management
- Enhanced communication and problem-solving skills in a professional setting
- Recognized for teamwork, dedication, and contribution to service quality
